

## SCWT Club of GB Official Lists

*“While it is considered that Renal Dysplasia (RD) in the SCWT is inheritable, there is no clear agreement on the mode of inheritance. It must be remembered there are other causes of kidney disease other than genetic inheritance”*

**A LIST: Matings, which have produced one or more offspring affected by RD.  
Each case on this list has been confirmed by post mortem.**

Litter born	Date of death of offspring (when known)	Sire	Dam
14.06.11	2013	IE GB Ch Feanaro Niallan Naomhan (NL)	Ellora Funki Valli
