However, entries "Not For Competition" can be accepted from any KC registered dog over 4 months of age on the day of the show. CHILDREN: The committee reminds exhibitors bringing children to the show that they will be held responsible for their behaviour at all times & for any damage to property or equipment within the environs of the Showground caused by their children or children in their care.

SOFT CRATES

The Kennel Club has drawn attention to the health & safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended are a potential hazard, and it has been known for dogs to become distressed & move soft crates along the floor & also escape. They should only be used when there is sufficient room available & when they can be safely secured.

CAGES / CRATES

**In accordance with new Kennel Club guidelines,
Exhibitors must display exhibit number/owner identification on their
crate, cage or container at all times.**

!! Use of Electrical Equipment at Shows !!

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

SPOT LIGHT ON THE JUDGE MAUD HAWKES

I was first introduced to the SCWT breed back home in Sweden in the early 1970s. Those dogs made such an impression that I planned to introduce one into my household, but this was not to be due to serious health issues in those early imports. My interest in, and fondness for the Wheaten has however remained and I have over many years attended seminars featuring the breed. It has, for me as an Animal scientist, been especially impressive to follow the progressive and successful health work and the increase in numbers into a sustainable population. Credit must go to very dedicated breeders!

My first judging appointment for Wheatens was in 1998 and I have since had the privilege of judging them quite regularly. I also judge a number of other breeds and award CCs for Cairn and Skye Terriers, here and abroad. I am honoured by the invitation to judge at this forthcoming Breed Club show and very much looking forward to being in the ring surrounded by lovely, happy Wheatens again.
