Dear Denise

On behalf of Support Dogs I am writing to thank you all at Soft-Coated Wheaten Terrier Club of Great Britain for your wonderful donation of £204.00

Your kindness and support for our charity is hugely appreciated.

By choosing to donate to Support Dogs, you are helping to improve the quality of life for children, adults and families living with physical disabilities, autism and epilepsy. Your donation will help people feel confident, safe and able to lead active and more independent lives.

Your donation will help us to provide 24/7, 365 day a year support to our amazing support dog partnerships and train more support dogs that will go on to transform the lives of those affected by autism, epilepsy and physical disability.

All of our income comes from voluntary donations so without the kindness and generosity of supporters like you, we would simply not be able to continue our work.

We believe it is important that we keep you updated on the work of our charity that you have so kindly supported. To do this we will send you, just twice a year, our charity magazine. This is vitally important to us as a small charity, because it is one of the few ways we are able to tell more people of our work. However if you would rather not receive this then please email fundraising@supportdogs.org.uk or phone 0114 261 7800.

Thank you again from all those whose lives are improving as a result of your wonderful support.

Very best wishes

Ryan Townend
