- Please make sure you meet the Kennel Club eligibility criteria for the sessions you wish to book.
- Candidates with recognised educational needs, disabilities and temporary physical injuries may request access arrangements for the Multiple-choice Breed Standard Exam. Access arrangements include applying for assistance from an 'independent person', to act as a reader/scribe/interpreter. **Access arrangement requests should be made to the organiser at least 4 weeks in advance of the BAD, wherever possible.**
- If you are thinking of booking the discounted "Full Day Package" option, please make sure you are confident of passing the MCE on the day, before selecting this as the delegate can only take part in the Mentoring session once they have passed the MCE earlier in the day. No Refunds will be given. Otherwise you can select the BAD Talk + MCE session to pay for now, and book the separate 'Provisional' Group Mentoring Session - if you are successful on the MCE you can then pay for the Mentoring at the seminar and once your result is known.
- An email confirming your booking will be sent you once your booking form & pre-payment are received.
