**EXERCISE AREA:** An exercise area is provided and it is the responsibility of the Exhibitors/Handlers to clean up any fouling caused by dogs in their charge. Equipment is provided for the purpose and your cooperation would be appreciated.

### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

**CHILDREN:** The Committee reminds exhibitors bringing children to the show that they will be held responsible for their behaviour at all times and for any damage to property or equipment within the environs of the Showground caused by their children or children in their care.

**PUPPIES:** Puppies under 6 months of age on the day of the show may not be entered for competition. However, dogs over 4 months of age on the day of the show from any KC registered dog may be entered "NOT FOR COMPETITION".

### PLEASE NOTE:

It is the exhibitor's responsibility to be at their class for judging.

**SALE OF GOODS:** Sale of goods other than those on the Club Bookstall must be cleared with the Committee beforehand.

**SOFT CRATES:** The Kennel Club has drawn attention to the health & safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended are a potential hazard, and it has been known for dogs to become distressed & move soft crates along the floor & also escape. They should only be used when there is sufficient room available and when they can be safely secured.

### SPOT LIGHT ON THE JUDGE - Rob Jones

As I was raised in a rather rural location, my first memories were of Gundog/Working and Terrier breeds in working environment. So, from that perspective I appreciate a dog (of any breed) that is, as the late Phil Greenway put it at one of the club's seminars some years ago, 'fit for purpose'. How true he was.

Along with my wife Tracey, we first started showing dogs in the mid 80's. Our breed for many years were SBT's and latterly Wheatens. We have received 2 CC's with two of our girls. Judging followed shortly after in the 90's.

Along with my wife, I have been involved in the background with many breed clubs and canine Societies, currently West Midland Terrier Society and Secretary of the newly formed North Staffs Canine Society.

I would like to extend my thanks to the committee for the honour of judging the Club's Open Show South.

### REFRESHMENTS WILL BE AVAILABLE

16. **DOGS IN VEHICLES ON HOT DAYS.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations.  
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.  
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.  
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.  
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
When at the show, never leave your dog in the vehicle.  
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.  
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
