IMPORTANT MESSAGE

The 2021 AGM cannot now go ahead on the original scheduled date of 18th April 2021, as shown in the NOTICE OF AGM published in the 2020 Winter Bulletin. This is because of ongoing Covid-19 restrictions.

The 2021 AGM is now re-scheduled for 7th NOVEMBER 2021.

However, all postal voting/ballots will still proceed as originally planned, and the results will be announced on the Club website on 18th April 2021. Completed voting/ballot papers must still be returned to the scrutineer and be received by them by 15th April 2021, to be counted.

On 7th NOVEMBER 2021, we will confirm and ratify Club AGM matters already concluded by post, and any other matters which have already been announced on the Club website. We will then deal with all other matters still outstanding and as shown on the agenda.

PLEASE BRING YOUR OWN REFRESHMENTS & PACKED LUNCH.
