Soft crates left unattended are a potential hazard, and it has been known for dogs to become distressed & move soft crates along the floor & also escape. They should only be used when there is sufficient room available and when they can be safely secured.

SPOT LIGHT ON THE JUDGE - Sherril Goodwin

Growing up there were always dogs around the family home consisting of hounds and various terrier breeds.

I was 15 when I bred my own first litter of terriers and I have continued to do so ever since, breeding different breeds for work and later for exhibiting.

I became seriously interested in exhibiting dogs at open shows and later Championship Shows in the early 70's. This is also when I had my first open show judging appointment.

I have won several Challenge Certificates and RCC with three different terrier breeds and 2 different Gun Dog breeds. Some becoming champions. I work for the Bull Terrier /miniature Bull Terrier breed club kennelling and rehabilitating the breed ready for rehoming.

I have a long interest in learning everything and anything about Dog Breeds and have attended breed seminars for many years long before it was compulsory. I have also run a successful grooming business for a good number of years.

I firmly believe being invited to Judge is always an honour and it is most important to always follow the breed standard, after all it was written by people who had knowledge and the breed at heart. I also feel it is important not to lose track or be hung up on any particular points after all we are all (I hope) aiming to breed better dogs.

As a judge I hope to always try to judge true to breed type, and to keep health and temperament in mind. I award Challenge Certificates in seven terrier breeds and am passed to Judge the Group at Championship level.

I am delighted to judge this SCWT at the club show and I hope you all remember one thing, at the end of the day you are still taking home your much loved Dog and another day under a different judge you just may take home also a better rosette. Thank you to the officers and committee for this opportunity. Long may the club continue to grow and be supported.

Sherril Goodwin. (Spitewinter)

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams. If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show, never leave your dog in the vehicle. Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
16. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
17. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
