Thank you to the Soft Coated Wheaten Club of GB for giving me the opportunity to judge this wonderful breed. A round of applause to the show team for organising such a lovely show despite the trying times we are in at the moment. Also a thank you to my two capable stewards Angela and Rob who did a grand job.

It was truly a pleasure to go over some beautiful dogs today, so I am sending a huge thank you to all the exhibitors who entered their precious Wheaten for me to go over, and for taking my decisions sportingly.

The dogs I had were of a high quality and decisions were tough.

1st Marsh & Banbury’s YIPPEE KI YAY OF SOMERSISLE

A 7 month old baby boy who was in good form today. Tail never stopped wagging. He possesses a good head with neat ears and dark eyes. Straight front, a good amount of neck, shoulder and level topline. Nice soft puppy coat. This puppy is a nice size for his age. He showed well for his owner, obviously enjoying himself.

1st Taylor's EBLANAHALLS TECKEL ISH AT RAISINGSANDS

An Irish coated boy with a plentiful lovely soft silky coat full of soft waves and curls. Nice dark eyes, neat ears, flat skull and a typical terrier expression. Level topline and compact. Fit dog who moved ok. Showed himself well today doing what his handler wanted him to do.

OD (5,1)

All dogs in this class were top quality. A wonderful line up that made my job today extremely difficult.

1st Taylor's EBLANAHALLS SILKBEARD AT RAISINGSANDS

A powerful yet sophisticated 4 year dog who I have judged previously. The thoughts at the time were that he showed much promise and now he is fully matured he hasn't disappointed. A cracking rich coloured coat, of ripening wheat that is in abundance, soft curls, silky to touch and presented wonderfully. Coat is undoubtedly one of this lads many assets. Wonderful strong masculine head, and he was sporting such attractive kiss curls. Flat skull and neat ears, that he carried well, a dark hazel eye, and a lovely expression with a twinkle in the eye. Deep chest, Straight front, good length of neck with a level topline that was held on the move and well angulated hindquarters. Nice amount of bone, pleasing straight front and good tailset. This lad is in proportion with no exaggerations; he is oozing masculinity. He is so well constructed everything just flows together. . He commanded the ring and covered the ground easily. I was delighted to see him in the ring. A happy boy who was in tune with his handler, wagging his tail and soaking up the attention. He faced extremely tough compassion today, I just preferred his type of soft curl. A well deserved win today.

2nd Dowdy's CH GREENTREE GOLD MOMBO TO DENZILLY (Imp USA)

This lad made the decisions difficult. Super masculine boy, 5 year old ,who was presented to perfection. Lovely colour and soft curl to his coat. Strong and powerful, balanced and not exaggerated. Wonderful head with a dark eye, that gives off a kind of expression that just melts. Good bite and strong jaw, lovely neat ears that he carried well. Level topline , strong muscled rear end . He is compact and stood square giving off a masculine presence when standing that he continued to do on the move. Another that was very much in tune with his handler. This young man is a very worthy champion. It was a pleasure to have in my line up.

3rd Clarke's FLAXELA PERFECT STORM

Another quality ,very fit boy of 15 months. Good masculine head, clear mask, lovely bite with strong jaw, dark eye with a hint of fun shining through. Good length of neck flowing into well placed shoulders. Level topline good angulated rear end which is strong and muscled. Tail correct. He is compact and has a good rib. This lad is very well presented, a nice soft coat that is still maturing and

good for his age. He is in unison with his handler; he shows for her constantly. He was striking to see when stood and moved around the ring with presence.

The placing reflects the maturity of this boy, just that chest to drop and he will be the finished product. Super. I look forward to watching him progress in the very bright future in front of him. .

1st Lui's THISTLEBE THEM THERE EYES AT EBLANAHALLS SHCM SHCEX

An 8 year old girl that is balanced and has no exaggerations. Nice size that stands square and grabs ones attention with her ring presence. Good head, dark eye, neat ears that are carried well, lovely expression. Correct length of good neck that holds that head so beautifully. Good depth of chest , straight front, well placed shoulder. Rib is also good and a level topline that is held when she expertly moves around the ring. A super girl for her capable handler to show, she did everything that was required of her. A girl that has many qualities and is so fit . A worthy win for a special class.

1st Lui's EBLANAHALLS GOLD LIMERENCE

7 month old baby girl who was taking the ring experience in her stride. A very pretty puppy. Nice shaped head with tidy ears and a dark eye. Great expression: A happy young showgirl with enough swag to attract attention. A nice amount of neck that leads onto her good shoulder. Nicely shaped overall, stood square and pleasing to the eye. Level topline that was held when moving into a good angulated rear, Smashing colour to the soft puppy coat. She moved so confidently for such a young girl and was handled so well. A promising puppy with such a super sweet nature.

2nd Macgregor's KIRKTONHILL A TOUCH OF SNOW

A cheeky baby girl of 9 months. who in typical wheaten fashion brings a smile. She sports an abundance of soft coat. Very lively today, she was taking the whole show experience as playtime so, giving her handler a hard time. A shame as she's a pretty puppy but difficult to assess. I'm sure she will settle in time.

Another quality class of girls today I had tough decisions all were an absolute delight to have in front of me.

1st Francis' CH SAWHEATEN KISS FROM A ROSE

Fabulous 3 year old girl. A young lady I judged as a puppy. She was a beautiful puppy and now fully matured a beautiful young lady. So feminine yet strong and so well collaborated and balanced. Feminine strong head, correct dark eye, good bite and such well placed ears that finished the picture. Her expression was so gentle and friendly. Enough neck and shoulders well placed. Rib is great as well as the depth of chest. Level topline that she held while moving. Lovely rear and tail set. Good quality jacket with a nice texture having soft curl and wave. This girl stood square and there were no exaggerations. She looked at a picture standing and is full of feminine charm. This girl strutted round that ring and demanded the attention she deserves. Handled and presented well and is worthy of the title of champion. She beat some tough competition today and it was a close call. I just preferred this one's deeper coat colour.

2nd. Hanna's IR/DAN/SWE/NOR/NORD/GB CH CELTANNIAEXTRA CONFIDENT TO KINAE LAN IRJCH, CJW'16, HW'16, WW'18

An Irish coated girl of 6 years who so deserves her many titles. No exaggerated features she stands square and is a true picture. Such a soft silky coat that is wonderful to touch, beautiful waves and soft curls certainly one of her many assets. and so very well presented. Good, strong feminine head, dark eye, good bite and neat ears to finish that fab look she has. Straight front, enough neck, good depth of chest and rib, Level topline that she held on the move and a strong rear. Fit girl. This girl showed herself so well for her skillful handler getting the most out of her perfectly. I couldn't not notice her as she moved so eloquently round the ring. She has femininity with strength. Confident by name and confident by nature. Shame I didn't have two first prizes.

3rd. Dowdy's DENZILLY SWEET CARIAD

A two year old girl that is balanced. Lovely wheaten colour and soft curl textured jacket. Good feminine head and dark eye and bite. Straight front good neck and well placed shoulders. Level topline that she held as she moved so assuredly around the ring. She stood square and gave a very pleasing overall image. Terrific strong rear. Was in tune with her expert handler, they worked as a

team which was great to see. 3rd in a quality class. Another whose name fits so well sweet yet fun natured girl that this kennel is so famous for.
