

**Judge's Critique – Special Classes & Junior Handling**  
**SCWT Club of GB 2021 Championship Show**  
**Held 24/10/21**  
**Judge – Suzi Gale**

It was such a pleasure to be invited to judge my beloved Breed. I am humbled by the wonderful entry I had. Thank you to the exhibitors for giving me the chance to go over such quality dogs. The club and my steward Joe Ashe for making everything run smoothly. The breed has come a long way in presentation and all exhibits were clean, well groomed and in good condition. Movement overall was very good. There were some novice handlers with good dogs and I feel with encouragement from the more experienced handlers in the breed we can welcome and support these new members. Hands on assessment of the dogs gave quite a different picture to ringside! There were a handful of excellent bites and dentition, However there is a lot of room for improvement particularly in the some of the younger exhibits.

### JUNIOR HANDLING

#### Class B 12-16 years 2

Despite having only 2 entries I was pleased with the practice these youngsters have put in to show some of us adults how it's done! They are the future of our exhibitors and breed and really hope they continue.

1. Eliza Mason  
This young lady had poise and grace and handled 'at one with her dog'. She came back to the judge in perfect straight lines, moved effortlessly when I came behind her dog, caught on quickly on the reverse triangle. Had her eye on the judge at all times. Hope we see more of her in the breed. Bright future.
2. Joshua instance  
This lad caught on quickly and it was difficult to catch him out! A little more attention on food placement and he would have given Eliza a run for her money! Great effort and a little more practice will be beneficial for him.
