### DOGS IN VEHICLES ON HOT DAYS

**PUPPIES:** Puppies under 6 months of age on the day of the show may not be entered for competition. However, dogs over 4 months of age on the day of the show from any KC registered dog may be entered "NOT FOR COMPETITION".

Soft crates left unattended are a potential hazard, and it has been known for dogs to become distressed & move soft crates along the floor & also escape. They should only be used when there is sufficient room available and when they can be safely secured.

## SPOT LIGHT ON THE JUDGE - Brian Moles (Celtannia)

Sincere thanks to the committee of the SCWT Club of GB for inviting me to judge our beautiful breed at the Open Show South 2022. It is an honour for me to do so.

My husband, Dylan Williams and I have lived with Wheatens for close on 16 years and have had the pleasure of owning and selectively breeding heavy and Irish coat types. Both equally beautiful. It has been one of the most rewarding and satisfying periods of our lives to have successfully shown our dogs in Ireland, the UK and on the Continent. We have been fortunate to have bred several champions, BOS at Crufts, Top Puppy, Top Wheaten Bitch 2019, World Winner 2018 and consecutive Top Breeders in 2018 & 2019. As well as breeding, (to date) the UK's most titled Wheaten... 'Irish, GB, Swedish, Danish, Norwegian, Belgian, Nordic CH' and the first FCI International title.

This gained knowledge and experience of our breed over the years have helped me on a path to judging Wheatens and other Terrier breeds at various Open shows. I very much look forward to the pleasure of assessing your dogs and wish every participant a happy and enjoyable day.

Brian Moles

### Health and Safety:

A nominated Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as The Soft Coated Wheaten Terrier Club of GB has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid guy ropes, uneven surfaces and other hazards which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk and if they consider conditions are not ideal or are unsafe they may withdraw their dog/s from classes.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations.  
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.  
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.  
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.  
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
When at the show, never leave your dog in the vehicle.  
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.  
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Dog Fouling and Grooming: Any owner exhibitor handler or person in charge of a dog is required to remove, as soon as possible, any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the
