## PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography, filming & live streaming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form or recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. No photography, filming or live streaming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of the classes. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting the exhibits. ## **SPOTLIGHT ON YOUR JUDGES**

### **Championship Show Judge: Paul Eardley (Sherex)**

I have been involved with dogs and dog showing for my entire life. My principal showing interests are Australian Terriers and Dandie Dinmont Terriers but I have an interest in all terriers.

I judged my first dog show when I was a teenager in the late 70s. Currently I am approved to award CCs in 15 terrier breeds along with the terrier group and I had the great privilege of judging the terrier group at Crufts in 2022. I judge all the terriers at open shows along with other breeds and BIS.

I am Patron of The Australian Terrier Club of Great Britain, Chair of The Dandie Dinmont Terrier Club and Vice-Chair of The Royal Kennel Club.

It is always a great privilege to judge a breed club's Championship Show and thank you to the SCWT Club for the kind invitation. I am very much looking forward to it.

### **Specials Judge: Mick Oxley (Digelsa)**

I have been associated with dogs all of my life. I had my first show dog in 70s, he was a Dobermann, not a Champion, but he was very flashy, a natural show dog and my inspiration with him I got "the bug".

I started my judging apprenticeship at match nights back in 1979 and progressed slowly to sanction and limit shows and eventually open and championship shows. I have been judging all terrier breeds since 1989. I awarded my first set of CCs in Manchester Terriers at LKA in 1990. I have judged the Breed Club Championship show twice, judged at Crufts twice and also judged in Holland, Norway and Poland. I am passed to award CCs in 13 terrier breeds.

I have bred 22 Manchester Terrier champions to date with 206 CCs between them. I have bred and campaigned three breed record holders, the current bitch CC record holder Ch Digelsa Double Entendre with 30 CCs and current male Ch Digelsa Dictator with 39 CCs who has also made history by being the only Manchester to have been placed in a group at Crufts.

## **DON'T FORGET TO ENTER THE SPECIAL CHAMPAGNE CLASSES**

  15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
  16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
    - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
    - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
    - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
    - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
    - When at the show, never leave your dog in the vehicle.
    - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
    - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars,

is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
  19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
  20. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
  21. Exhibitor passes will not be sent out. Please send an SAE if you require acknowledgement of entries.
  22. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever
  23. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
  24. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
- 

## **Health and Safety**

A nominated Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as The Soft Coated Wheaten Terrier Club of GB has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid guy ropes, uneven surfaces and other hazards which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk and if they consider conditions are not ideal or are unsafe they may withdraw their dog/s from classes.

## **Security at Shows**

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

## **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

**Data Protection** – Your privacy is important and personal data is held in accordance with our Privacy Notice which is available upon request from the Secretary.
