

Harriet Bye's Bio

I have owned SCWT since 1998 and I live in Devon.

I joined the Committee of Soft Coated Wheaten Terrier Club Of GB, as I now know I can contribute a wealth of experience from what I have learnt in other job roles towards the club where support is needed. As one of the youngest in the breed, I would like to support in the following areas where I can, where I can see the club needs improvement on which are the Website, advertising, social media, showing and grooming.

I have a range of experience within the breed as well as outside of the breed which will both benefit the SCWT Club of GB. I currently run, own and manage my own website – Harriet Billingham Illustrations, so I am flexible with producing graphics/imagery/ selling, ordering and managing stock as well as using social media such as Facebook, Instagram and TikTok. I have produced and presented presentations at University and in job roles. Previous jobs I have also been in have been marketing so I am very good at managing events and marketing calendars. Flexible with all Microsoft office programmes. I show SCWT so understand the importance of showing, grooming, breeding and the health of the breed.

I have ran and held a WOW day down in Devon at a National Trust place. Made cakes and flapjacks to support the SCWT Club Champ shows. I am currently supporting the club on managing their SCWT Club Of GB Facebook page as well as the SCWT Show Scene page to bring awareness to the breed.

I have taken part in judging match nights, stewarded at local shows, helped others with grooming.

I am part of the South Devon Riding Club and Dittiscombe Riding Club, I support them locally through calling out dressage tests, setting rings up and organising the collection ring.
