Judge's Critique – Judge Martin Phillips

I would like to thank all the exhibitors for staying and giving me a good entry and to the committee for organising such lovely prizes, I thought the bitches were stronger than the dogs on today's performance, overall quality and type is strong in the breed.

ARKENSTONE THORIN KING UNDER THE MOUNTAIN FANTASA (IMP ISL) 16 month old, very impressive young male, makes an entrance when entering the ring and does not disappoint when going over him, correct head with a good clean front, firm topline, strong behind, at this moment in time would like him a shade shorter in loin but it could be maturity, handled to perfection as always.
