

Sharne Williams' Bio

I have owned SCWT's for the past 16 years and look forward to giving back some of my time to the Club as a thank you for all of the advice, help and friendship I have received over the past years'.

I was very fortunate to make up my 1st SCWT to a Champion with the encouragement of the Club and my breeder. She was the first dog I had ever shown and I have learned so much along the way. I relish the opportunity to pass on the knowledge I have learned to new members. I love the breed and being aware of the fact they are now a vulnerable breed I look forward to any opportunity to give help and advice to others as much as I can. I bred a litter from my Champion and helped my puppy owners with their grooming and training. I was also fortunate to mentor one of my puppy owners to achieve their stud book number.

I look forward to helping with show planning, catering and show set up. I have had experience of these functions with the Bridgend and District Kennel Association. I have considerable IT skills and used these to good effect with Bridgend as a membership secretary. I have been a member at Bridgend for 16 years and on their Committee for the past 12 years. We are a small Committee of 6 and we run a Premier Open Show yearly with roughly 1,000 exhibits attending. My experience spans stewarding, catering, show set up, organizing raffles and judge 'meet and greets'.

I am always here to mentor newcomers to the breed with grooming. I ran my own hairdressing business for 35 years. I now work for the NHS as a part time Senior Medical Secretary at a Breast Screening Assessment Clinic.

I am used to dealing with people receiving difficult news with empathy and passion. I am good at dealing with the general public, organising and event planning. I have enjoyed my time helping the Club on numerous occasions in a variety of roles at fun days and shows.
