JD (1)

1 Satherley & Wynter's Lakkas Yankee Sweet Silkcroft (Imp Swe) JW. Top sized youngster but still presents a balanced outlook. Excellent head piece, bright eye along with well set ears. Clean front standing on good legs and feet. Firm topline that he holds on the move. Once he got in his stride, moved well. Still needs time to come together.

OD (3,1) Two quality dogs.

1 Clarke's Ch Flaxela Perfect Storm (ai). Smart dog. Liked his size and his very typical appearance. Clean cut head, flat skull and the required defined stop along with a dark eye and a good expression. Compact body with good depth of chest and well sprung ribs. Best of hindquarters that he uses to advantage on the move. Soft coat of good colour. Moved soundly, fore and aft, **CC**.

2 Satherley's Ch Silkcroft Shake It Off JW. A very typy dog who is so well made throughout. Medium sized as the standard asks for with the required strength and substance. Head of good length, strong jaw and the required square muzzle. Good reach of neck set in well placed shoulders. Firm body and well angulated quarters. A sound and positive mover, **Res.CC**.

LB (1)

1 Lui's Eblanahalls Kiss Curl JW. Although standing alone in the class was a worthy winner. Has a very balanced outlook and is not exaggerated in anyway. Typical in head, good shape with the required parallel planes and the brightest of expressions. Well made front assembly, firm topline and a pleasing tailset and carriage. A little unsteady on the move today.

OB (4,2)

1 Satherley's Ch Silkcroft Never Miss A Beat. Favourite of mine after giving her G2 at SKC last year and did not disappoint in breed company. Quality throughout from all angles. Correct in size and has such a balanced outlook. Best of heads, with pleasing length and strength, a lovely eye and expression and well set ears. Very clean over her neck and shoulders. Strong topline and a good tailset along with well made hindquarters. Presented in top condition with the best of coats, good colour and correct texture. A very sound and positive mover, **CC & BOB**. Pleased to see her go G3 in a very competitive Terrier Group.

2 Satherley's Ch Silkcroft Fortune And Glory JW. See she is the daughter of the winner and has inherited many of her dams positive attributes. Liked her head piece, good eye colour and the brightest of expressions. Strong neck set in well placed shoulders, straight front and a good depth of chest. Compact body with a good strong loin. Well angulated quarters with a pleasing tailset and carriage. Another of good coat and colour. Moved soundly, **Res.CC**.
