1 Satherley's Ch Silkcroft Shake It Off JW A class of very impressive males splitting hairs between the first two. I loved the overall size & balance of this mature 3yr old from his classic head ,muscular neck & quarters. His coat was soft & of a good colour & texture firm body & on the move he owned the ring with great reach & drive. Pleased to award him DCC & BOB **DCC & BOB**

1 Grimes & Watson's Keevasdream Purple Bliss For Spudler A very smart 9 mth baby who was shown & presented so well. Loved her head so feminine with that look of mischief good length of neck firm topline & good quarters which showed in her steady movement. Her coat colour coming thru loose curls that flowed on the move overall giving a lovely out line. She may have stood alone but well deserved **BP**.

JB (2)

1 Dowdy's Denzilly Waking The Witch (ai) Two litter sister & on the day this bitch just had the edge at 17 mths old she was so sound both standing & on the move strong but feminine head well balanced all over with a coat that was coming on well for colour. She moved out soundly & presented well.

2 Ronan's Denzilly Poppet Magic (ai) Just under 2yrs old Smaller in stature but so smart with a very pretty head & expression good spring of rib & level topline like her sister she has an ex coat for age. Was difficult to assess her at first as she was enjoying her day so much but her handler got the best out of her & she settled into a steady gait.

1 Warrick & Caldwell's Kinaelan Labhandarblu This baby at only 8 mths old needs more time but she is an attractive youngster soft Irish coat that is changing & needs to even out as you would expect at this age. Very much a baby on the move but the handler worked well to get the best out of her.
