1 Dowdy's Ch Greentree Gold Mombo To Denzilly (Imp USA) Have to say was surprised by this male, yes he's 7 years and a veteran, but was shown in full bloom like a 3 years old male. Shown in really strong and tank like condition and its clear how much hard work and time the owner puts into this dog, solid to touch and hard condition and well-muscled, I can see how he's rightly won so much, a credit to his owner and breeder, moved with drive and style, looked and acted like the terrier I want to see, correct front super bone size and substance, stunning head well set and sued ears, nice neck correct topline and tail set nice coat pleased to see he did well in the Veteran group later and today **best veteran and RCC**

2 Satherley's Ch Silkcroft Sky Full Of Stars ShCM Ir Jch 10.5 female stands looks and acts younger, excellent for size super for substance nice coat could move with more drive but acceptable for age, correct length and depth of skull with right planes and strong muzzle, nice neck good topline and tail set well handled and enjoyed her day

OB (8,3)

1 Satherley's Ch Silkcroft Never Miss A Beat Stunning outstanding female, oh did I mention stunning, walks, looks and acts like the top champion I now know she is, handled just as good as this female looks and deserves, this handler looks to present the dogs she handled in the best light but clearly makes the dog as the one to be seen not her, that said handling was excellent and this female was shown in top condition and well ready for the show, coat in top bloom and correct in size substance bone and feet, best coat of the day and coat presentation and type was high high quality, 4 years old and looking her best, feminine head with right amount of length and strength but still elegant, super-size set use and position of the ears, super dark eye with the real breed and terrier expression, strong
