DECLARATION I/We agree to submit to and be bound by Kennel Club Limited Rules and Regulations in their present form or as they may be amended from time to time in relation to all canine matters with which the Kennel Club is concerned and that this entry is made upon the basis that all current single or joint registered owners of this dog(s) have authorised/consented to this entry. I/We also undertake to abide by the Regulations of this Show and not to bring to the Show any dog which has contracted or been knowingly exposed to any infectious or contagious disease during the 21 days prior to the Show, or which is suffering from a visible condition which adversely affects its health or welfare, or to bring any dog which has been prepared for exhibition contrary to Kennel Club Regulations for the Preparation of Dogs for Exhibition F (Annex B). I/we agree without reservation that any Veterinary Surgeon operating on any of my/our dogs in such a way that the operation alters the natural conformation of the dog or part thereof may report such operations to the Kennel Club. I/We declare that where any alteration has been made to the natural conformation of the dog(s) the relevant permission to show has been granted by the Kennel Club. I/We further declare that I believe, to the best of my knowledge, that the dogs are not liable to disqualification under Kennel Club Show Regulations. I/We also confirm that I/we understand the eligibility of the classes entered.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

- I. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A11.
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2.
 - a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
 - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
 - (a) Operations certified to the satisfaction of the Board.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Health and Safety

A nominated Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as The Soft-Coated Wheaten Terrier Club of GB has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid guy ropes, uneven surfaces and other hazards which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk and if they consider conditions are not ideal or are unsafe they may withdraw their dog/s from classes.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.
